WISDOM OF ENTREPRENEURS

helping students succeed is the formula for achieving an architecture career. With their support, students can follow their dreams of an architecture career. We pride ourselves on offering a comprehensive range of architecture courses for students at all levels. Our courses are taught by experienced and highly qualified architects, who provide students with the skills and knowledge they need to succeed in the architecture profession.

Sogo Shikaku President Takashi Kishi

While a global architectural firm is in its infancy, it has already begun to make a difference in the community. The firm's success can be attributed to our strong focus on providing quality services to our clients. We believe in partnerships that are built on mutual understanding and respect. We understand the importance of maintaining long-term relationships with our clients, which is why we work hard to create a positive experience for all parties involved.

The college aims to provide an education that is focused on both academic and professional development, preparing students for successful careers in architecture. We believe in the power of education and the importance of giving back to the community. The college's mission is to equip students with the knowledge and skills they need to make a meaningful contribution to society. We strive to create a supportive and inclusive learning environment where students can thrive and reach their full potential.

Sogo Shikaku Co.

The company started almost 30 years ago in Nagoya and has expanded to cover a high percentage of its students pass the first-class architecture exam. Over the years, the company has developed a strong reputation for providing high-quality education and support for students pursuing an architecture career.
